

# Our Community Impact

## 2023 Community Benefit Report

**Lifepoint Health is proud to serve as a leading healthcare provider for patients, clinicians, communities and partner organizations across the healthcare continuum.** Our mission is *making communities healthier*, and our nearly 55,000 dedicated employees are sharply focused on delivering high-quality, compassionate care close to home.

Lifepoint's growing diversified healthcare delivery network consists of community-based hospitals, rehabilitation and behavioral health hospitals, and additional sites of care spanning from coast to coast. As an economic pillar in our communities, we not only support the health of the people we serve, but we also give back and make investments that meaningfully contribute to the vitality and development of places we call home.

Our annual Community Benefit Report shows the broad scope of our contributions nationwide. Below is a summary of the collective impact of our facilities in 2023.
